Attn: Mr. J. Y. Christopher
Offshore Land Manager

Re: Northstar Unit
Amended Notice of Default

Dear Mr. Christopher:

The November 3, 1994 North Star Unit (NSU) Notice of Default to the Amerada Hess Corporation, the NSU Unit Operator, provided for fifteen (15) days in which to cure the default. However, the unitization default regulation, 11 AAC 83.374(b), states:

The commissioner will give notice to a unit operator and defaulting party (if other than the unit operator) of the default. The notice will state the nature of the default and include a demand to cure the default by a specific date, which in the case of failure to pay rentals or royalties will be a date determined by the commissioner and in the case of any other default will be a date not less than 90 days after the date of the commissioner's notice of default.

Therefore, the second paragraph of the November 3, 1994 Notice of Default for the NSU is amended to the following:

Pursuant to Article 20.2 of the NSU Agreement, this is notification of default of the Unit Agreement. Further, AHC and its partners may cure the default by (1) providing an updated POD within ninety (90) days, or (2) voluntarily terminating the NSU Agreement per the provisions of Article 14.6 within ninety (90) days.

Mr. Y. J. Christopher
December 12, 1994
Page 2

Under this amendment, the time period for cure of the default is 90 days, commencing November 3, 1994. If you have any questions or foresee any problems complying with the amended default notice, please contact Mike Kotowski at (907) 762-2546.

Finally, if the NSU terminates, three State of Alaska leases will continue beyond their primary term pursuant to paragraph 5(d) of the lease. The three leases are ADLs 312798, 312799 and 312809. This is further notice that within 90 days of termination of the NSU, the lessee shall file a plan of development in compliance with the requirements set forth in paragraph 17 of the lease.

Sincerely,

James E. Eason
Director
